SEX ED STARTS HERE

2018-2019 Impact Report

YOUTH SERVICES

We provided classroom-based instruction to **15,346 students** at **102 schools**

Puberty Talk

"My favorite part of the course was the talk with our parents because it really made it more easier to talk to them."
– 5th grade student

Teen Talk Middle School

"The Question Box gave me an opportunity to ask certain questions that I could not ask friends or family."
– 7th grade student

Teen Talk High School

"If I am ever in the situation of being in an abusive relationship I will know the signs so I can get myself out and be safe."
– 9th grade student

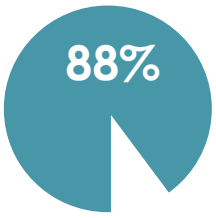
Teen Talk High School Refresher

"I will now be more willing to access sexual health clinics when need be."
– 11th grade student

Teen Talk Adapted for All Abilities

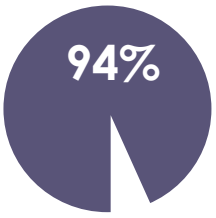
"The interactive activities helped me to learn the most."
– Student in a Special Education class

87% of 5th and 6th graders would intervene if someone made fun of another person's body or looks.

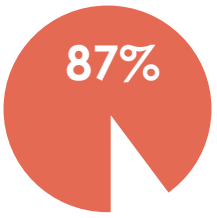


88% of 7th and 8th graders now feel more comfortable talking about sexual health with a parent or trusted adult.

88% of 9th and 10th graders agree that it will be easier for them to practice safer sex now or in the future.

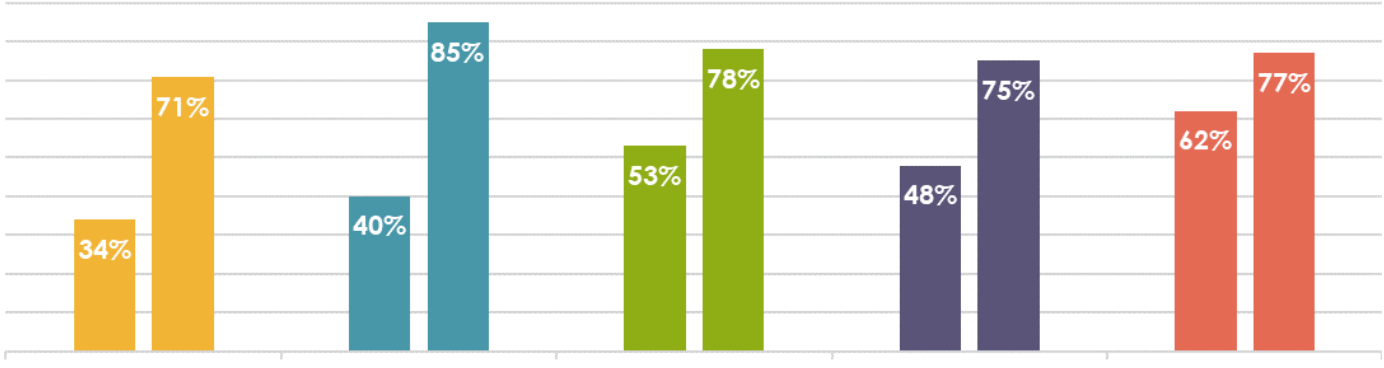


94% of 11th and 12th graders would intervene to prevent a friend from having sex with someone who had been drinking.



87% of students in special education classes now feel more comfortable going to a clinic for sexual health services.

Pre-Test & Post-Test Student Knowledge Change By Course



PARENT SERVICES

We served a total of
1,877 parents
with our Parent Talk and Family Talk workshops and information sessions.

"I have more confidence that when I talk to my children about puberty and sex that if I mess up, or it's awkward, that is ok."
– Parent participant

"I haven't opened the door to these topics as much as I thought I had."
– Parent participant

"I feel like my parents now know, so I am more likely to talk to them instead of surprising them."
– Youth participant

"We never usually talk and it was great to talk about this topic."
– Youth participant

Net Promoter Score: **87**

Our Parent Talk and Family Talk workshops earned a
World Class
NPS score.

PROVIDER SERVICES
